Central Nebraska Interact #22574
Attn: Nicole Badgley
78170 Dr. 430
Oconto, NE 68860

Dear Nicole,

The Scholarship and Grants Committee recommended, and the full Board of Directors of the Custer County Foundation approved a \$5,000.00 grant to Central Nebraska Interact #22574. The Foundation Board requires that these dollars be spent to help with fountains to revitalize the Arnold Recreation Pond, as specified by the grant application.

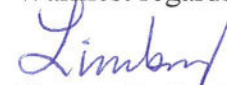

Before grant money is awarded, an invoice will be required. The money raised to fund these grants is raised locally; therefore, if possible, organizations are encouraged to purchase items or services from Custer County businesses. Please let me know when you are ready to receive the grant. We will arrange for a check presentation and a quick photo at that time. This grant will expire in 180 days.

Acknowledgment of this grant is appropriate. Information released concerning the Custer County Foundation and this grant should include the following statement: *The Custer County Foundation is a non-profit community trust, which is structured to seek out, receive, and administer funds to meet the present and future needs of the residents of Custer County.*

It is a pleasure to assist you in your charitable endeavors. If you have questions, you may contact me at 308-872-2232 or CusterFoundation@msn.com.

Congratulations!

Warmest regards,

Lindsay R. Cook
Executive Director
